What is this product?

TYPE

The product is a sub-fund of Universe, The CMI Global Network Fund, an Undertaking for Collective Investment in Transferable Securities (UCITS) incorporated as a variable capital investment company (SICAV) under the laws of Luxembourg.

TERM

The Sub-Fund is established for an unlimited duration. However the Board of Directors may decide to close this product under certain circumstances.

OBJECTIVES

The Sub-Fund is passively managed and intends to replicate the FTSE Developed Europe ex-UK Custom Screened Index by holding the equity securities, which make up the relevant benchmark index, in similar proportions to the benchmark.

The Sub-Fund aims to mirror, as closely as possible, the performance of the Index. The anticipated tracking error is not expected to exceed 0.20%.

The Sub-Fund normally invests mainly in a diversified portfolio of shares of companies that are included in the FTSE Developed Europe ex-UK Custom Screened Index.

The Sub-Fund may use Derivatives and currency forward contracts for efficient portfolio management, to manage risks or to seek investment gains.

The Sub-Fund may hold ancillary liquid assets.

The Sub-Funds does not promote environmental or social characteristics, or has as objective sustainable investment. Please refer to the Prospectus for more information about the Sustainable Finance Disclosure Regulation ("SFDR") classification of the Fund.

These shares are accumulation shares. Income and capital gains are included in the NAV calculation.

INTENDED RETAIL INVESTOR

The product is reserved for institutional investors. The product is compatible with investors who may bear capital losses and who do not need capital guarantee. The product is compatible with clients looking for growing their capital and who wish to hold their investment over 5 years.

OTHER INFORMATION

The Depositary is CACEIS Bank, Luxembourg Branch.

Further information about the SICAV (including the current Prospectus and most recent annual report) is available in english, and information about the Sub-Fund and other share classes (including the latest prices of shares and translated versions of this document), are available free of charge on <https://fundsight.com> or by making a written request to FundSight S.A., 106, route d'Arlon, L-8210 Mamer, Luxembourg or by emailing regulatoryreporting@fundsight.com.

What are the risks and what could I get in return?

Risk indicator

The risk indicator assumes you keep the product for 5 years.

The actual risk can vary significantly if you cash in at an early stage and you may get back less.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

The essential risks of the investment fund lie in the possibility of depreciation of the securities in which the fund is invested.

Performance scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back. What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

What happens if FundSight S.A. is unable to pay out?

FundSight S.A. is not making any payment to you in relation to this SICAV and you would still be paid in case of a default from FundSight S.A.

The Sub-Fund's assets are held with CACEIS Bank, Luxembourg Branch and are segregated from the assets of other sub-funds of the SICAV. The assets of the Sub-Fund cannot be used to pay the debts of other sub-funds of the SICAV.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0 % annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.

- EUR 10 000 is invested.

Investment of EUR 10 000	If you exit after 1 year	If you exit after 5 years
Total costs	EUR 19	EUR 125
Annual cost impact (*)	0.2%	0.2%

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 7.2% before costs and 7.0% after costs.
